Return to School

We hope that your family and friends are all safe and sound during this awful time. Thank you for your understanding of our school being non-operational. Please spare a thought for those around us who have lost their homes and those that are still battling the fires around them. I cannot say enough about the selfless, dedicated firefighters who do, and are doing, such an amazing job across our area, state and indeed Australia. Thank you.

Break in

Over the weekend we had a break in at the school. Access was gained into the office area and a sum of money was stolen. The police have been notified and are investigating. If you noticed anything suspicious please give us a call or notify Woolgoolga or Coffs Harbour Police.

2020 Captain Elections

Just a reminder that our School Captain elections for 2020 will be held on Wednesday November 27 at 11.10am (straight after recess).

Classes will vote straight after the speeches and the successful candidates will be announced at our Presentation evening on December 10.

Stage 2 Camp

As you are aware the Stage 2 camp was cancelled due to fire activity in the areas to be visited.

We are currently looking at alternative activities for the students. More information will be sent home when a decision has been made.

Look out for a note soon!

Year 3/4 Swimming

IS YOUR CHILD USING A HANDHELD DEVICE ?

This research will involve a two-part online survey that is expected to be completed in 2019 and in 2020. Each survey will take approximately 30 minutes.

If your child is born between 30/10/2013 to 28/02/2015 and engages in handheld device use, we would like to hear from you!

Screen time is a popular pastime activity in children today. We are interested in exploring the effects of parental wellbeing and handheld devices (e.g. iPads, tablets, mobile phones) on development.

YOU WILL GO INTO THE DRAW TO WIN 1 OF 4 \$100 GOLES/MYER GIFT CARDS!!!

Free hearing test for schoolchildren.

An estimated 1 in 10 school children suffer from hearing loss, which left undetected can lead to speech, learning and behavioural problems.

The Sound Scouts hearing check is a simple way to identify if a child has a hearing issue, including listening difficulties in noise. The test incorporates the science of a hearing test in a fun interactive game. Evidence based, accessible and delivering immediate results, it's the perfect screening solution.

The Sound Scouts App is now free to test all Australian school-aged children. Download it today.

Potential consequences of undetected hearing loss:

- Speech & language issues
- Difficulty reading
- Trouble in social situations
- Increased risk of academic failure
- Disruptive behaviour
- Depression

Signs of hearing loss in a child:

- Speaks louder than others
- Turns the TV up too loud
- Frequently say 'what' or 'huh'
- Has trouble pronouncing words
