ANZAC Assembly

Our whole school ANZAC Assembly will be held on Monday morning at 9am. A representative from the Woolgoolga RSL will be in attendance to speak to the students.

The ANZAC march is on the second Wednesday of the holidays. Corindi is the lead school this year. We would like to have as many students as possible attend the march. Full school uniform including school hat is to be worn. If the Year 6 shirts have arrived by then, Year 6 can wear those. Our captains will also be laying a wreath and speaking during the service.

Soccer tickets

As our school is part of the Premier's Sporting Challenge we have been given the opportunity to secure tickets to the Western Sydney Wanderers vs Sydney FC game on the first Saturday of the holidays. If you are in Sydney this is a great opportunity. I have included the letter that we have received which gives you a link to register for tickets. If you have any questions please don't hesitate to call.

YOUR imagination is the only limit today as we create, and test out, your own "Wonder Park!"</p> 	Dave's Rave - Bureaucratic Stupidity! The Systemic Flaws in the Child Care Subsidy(CCS) <p>As we go to press we have approximately 50 families in a state of revolving door limbo, cut off from the CCS system with government agencies either unable, or unwilling, to put processes in place to fix the problems. This situation is being multiplied across the country, adding millions of dollars to the cost of childcare and placing both families, and childcare services alike, under needless financial stress. Add to this the Public Administration minefield of Federal and State regulations, laws and frameworks that directly oppose each other. Participants are placed in the situation where, to follow one set of rules and guidelines from one authority, places you in breach of the of the regulations and guidelines of the other authority. These debacles have again added needless costs to the system for parents and ethical service operators, whilst at the same time providing loopholes for the more "unethical" operators to gouge more profits from parents and the taxpayer! (who ultimately funds the system as a whole) Whether it comes from government agencies, not for profit organisations or private and corporate companies, we at Community OOSH Services we will always endeavour to (and I'll revert to beauty of the Latin language) call out the "Taurus Excreta" for exactly what it is, and do our best to keep things real for you and your children!</p>			

HOLIDAY ROUND-UP! Having survived the "Endless Summer" (one of the hottest on record) over the Christmas period, we're gearing up again for some more holiday fun! As the calendar falls, with the inclusion of both Easter and Anzac Day public holidays, this vacation care period will be quite fragmented with only 8 actual days of care (including a pupil free day) over the extended fortnight. That aside, we're going to cram as much fun, games and excitement as we can into a small period of time! We'll be diving into the depths of your imagination with **WONDERPARK** and **YOULAND** and challenging you to the limits with a taste of **MILITARY DISCIPLINE** and **COMMANDO TRAINING**. You'll also be "slip slidin' away" on the **BIG BANANA WET** and **DRY SLIDES** bouncing off the walls at **SPRING LOADED!** Too much fun!

Coffs Harbour City Orchestra is coming to Woolgoolga again on **Sunday 7 April**. They will be performing **2-3.30pm at Yeates Hall in Scarborough St**.

Tickets are available at the door for \$15 adults, \$12 concession **and all school aged children and younger are free of charge.**

This is a great opportunity to hear a live orchestra. The music is a selection of popular classics, movie music and Broadway musicals and always something for the young or young at heart.

Conductor Tim Egan is a former school teacher and loves to educate children about the various unusual instruments. Do they know what a bassoon looks like? Which one is a viola and which is a violin and what is the difference? What does a trombone sound like or a timpani? He even lets one child conduct the finale piece.

A great family friendly concert.

We are a local nature group taking you and your children on adventures through our local bushland, rainforests and beaches. Our focus is to bring our families outside to reconnect with nature and each other, while developing the children's physical skills and confidence, promoting awareness of our environment and encouraging social interaction and a sense of belonging for all.

Nature provides the perfect environment for imaginative play, developing problem solving skills and independence in decision making via risky play. Our groups are guided by Early Childhood Educators and Education Support Officers and also have skills and experience with children who have additional needs. Please call Paula to chat about your children's needs at any time.
