## SCHOOL BANKING DAY IS WEDNESDAY...

Please drop your bank deposit books into the office tray before 9am.

Thank you to all parents and students for last week as the school processed another 10 deposits which is wonderful to see.

Teaching kids about money is an important skill. Along with the school curriculum, regular banking can be a useful tool to help build good savings habits, foster routine and contribute towards financial literacy.

For those students and parents who are interested in different ways to incorporate financial literacy in the home some ideas could include; helping to write the shopping list; a fun game of monopoly or just to encourage your children to participate in conversations involving the value of money and family budgets. For more tips please go to

## HAVE YOUR SAY BY 10 JUNE 2019

### Northern Beaches Multi Purpose Centre

HAVE YOUR SAY BY 10 JUNE 2019 - Northern Beaches Multi Purpose Centre - CHCC - Draft Delivery Program 2017-2021 Now is the time to 'Have Your Say' if you want the Northern Beaches Multi Purpose Centre to be constructed and become a valuable asset for use by the sporting and cultural groups in Woolgoolga and Northern Beaches

The New South Wales Government announced in February 2019 they will allocate \$8 million towards Stage 1 - construction of a 'two multi sports indoor courts, meeting rooms, amenities, kitchen/kiosk at West Woolgoolga. CHCC agreed in March 2019 to fund the development application and preparation of a Statement of Environmental Effects for the proposed Centre.

To progress the project to the next stage CHCC will need to allocate sufficient funds in 2019/20 to make the site 'spade ready' which includes road design, car park, realignment of Split Solitary Islands Way, storm water and the provision of essential services including water, power and sewerage.

Unfortunately the current CHCC Draft 2017-2021 Delivery Program (Year 3) that is available for public comment (until the 10th June) does not include any spade ready or site construction funds to progress the project. Unless the Draft Delivery Program is revised by Council and our Councillors push for changes to the delivery program the multi purpose centre maybe delayed and/or not proceed. This is extremely unfair for this community that has waited so long and worked so hard to bring this project to realization.

Please take the time to email and provide your comments to Council about this obvious omission from their delivery program. Support the construction of the multi purpose centre by requesting Council to include 'spade ready' funds in 2019-2020 financial year to make this project happen!.

You can provide your comments to Council by the following methods:-<https://haveyoursay.coffsharbour.nsw.gov.au>
