Debating Champions

Congratulations to our debating team of Thissar, Beau, Ben and Nate on winning the Northern Beaches Great Debate last week. What an outstanding achievement. Along with our other debaters, Chelsea, Isabelle and Ashton it has been wonderful to see the improvement and enthusiasm they have all shown in developing and honing their skills in debating. Well done everyone.

Stage 1 Dance Group

Congratulations also to our Stage 1 dance group for their second place at the Coffs Harbour Eisteddfod. Another fantastic effort and achievement. Special thanks to Ms Johnson for her hard work with the group and Mrs Jarvis for help with costuming and to all the parents for transporting our group to the eisteddfod. Their performance at the assembly last week was outstanding.

Woolgoolga Lions Club

A huge thank you to the Woolgoolga Lions Club for their generous donation to our school. The money will be used to purchase some specialised computer software and will assist us in the purchase of additional laptops for use by all students.

You'll take on the competitors from Grafton in a variety of indoor and outdoor events including athletics, hockey, T-Ball, frisbee footy, shot-put, tunnel ball and much, much more!</p> 	HOLIDAY ROUND-UP! The busy world of OOSH is a constant rollercoaster of fun and activity as the holidays roll into term time and back into holidays in the blink of an eye. Our Easter holiday program was blessed with beautiful weather in which we had great fun, with the highlights being getting down and dirty on the Commando Course and our Armed Services activities. The results were our beautiful Anzac Day wreaths laid at all the services and the kids enjoying, and benefitting from, a good dose of "old fashioned discipline" from our resident Drill Sergeant in our Marching Parade. (And WOWdidn't I have fun with that! Amazing how it works! Should be more of it!) Our rapidly approaching Winter Holiday program is jam packed with more excitement and fun. To stimulate the mind, it's LEGO MASTER CREATIONS and CREATIVE RECYCLING! For the body it's trampoline fun at SPRING LOADED , challenging nature with MAN vs ANIMAL and taking on all comers in OOSH OF ORIGIN! As for HORSE RIDING , ICE SKATING and the antics of a TOY STORY TRIBUTE , that fits into the category of FUN!			
Dave's Rave - STICKING TO THE BASICS AND GETTING THE JOB DONE! <p>At the time of printing we are all reeling from the information overload of both a State Election, as well as a Federal, occurring one on top of the other within an 8 week period. In what can only be described as desperation politics, all participating parties went to extreme lengths to convince you to trust them, that they know what they're doing and, at times, to buy your votes! As our Childcare world exists in a tangled web of regulatory authority administered by both Federal and State departments, our industry is inevitably used as a political pawn for policies and promises! Whether these are followed or fulfilled is yet to be seen, but from someone who has been in the industry for 35 years, and from the early signs I've seen, I am sceptical. The Federal "pay master," with it's Child Care Subsidy (CCS) system administered and delivered by Centrelink, has major systemic flaws which are not being addressed. The State government is promising to spend millions of dollars to fix "waiting lists" and "access problems to OOSH" for schools. This "Sydney based problem" does not, and has not, existed in our region since 2005. Funnily enough we, at Community OOSH, fixed that problem 15 years ago. Basically, what is not happening, is proper industry consultation, with the right people, who put the best interests of you and your children 1st and politics 2nd! We are hoping, now that the dust is settling, that there will be real progress in delivering functional, workable and viable Childcare that delivers the best for the kids!</p>

Helping your child to budget.

Budgeting, or balancing saving and spending, is a valuable skill that children can use throughout their lives. When we spoke to over 1,000 parents of primary school students, 83% thought it was important to help their child learn to budget and 91% found it especially relevant for students in years 5 and 6[^]. Here are three easy ways you can teach your child to budget, at any age.

Set a savings goal together and explain the importance of setting aside a little money each week to reach the goal.

Help your child keep track of their money by teaching them to check the amount they've saved and what's left when they take money out.

Play a fun shopping game, in-store or online. Add up the prices of things you want to buy and compare the total with the amount in your spending budget. This teaches your child about cost and how they may not be able to afford everything.

Term 2 Polar Savers rewards.

To encourage kids to keep saving regularly, they can redeem a reward every time they make 10 deposits with School Banking. Our new Term 2 rewards are now available to order, while stocks last.
