### Questacon visit

### Police blitz

Coffs/Clarence PD, NSW Traffic Highway Command and Coffs Harbour City Council are continuing their patrols and enforcement around School Zones targeting 8am to 9:30am and 2:30pm to 4pm peak times.

Motorists should be aware of hefty fines for offences detected in school zones. School zones offences attract an increase in the fines and demerit points in an effort to reduce the occurrence of offences and therefore increase the safety of other motorists, pedestrians and school children in school zones.

Motorists are reminded that the speed limit during school zones is 40kph. Don't use your mobile phone whilst driving and ensure you park legally. Make sure your children are restrained in appropriate car seats.

Make sure your children and our children arrive safely to school, hold their hand.

Dangerous driving behaviour around schools puts children at risk. Motorists should also be aware of the annual increase in fines from the 1st July, 2019

### NAIDOC Day

NAIDOC Day notes that were posted to parents MUST be in by tomorrow to allow Mr M, Mr Skinner and Aunty Ange time to organise the activities.

### Early arrivals

Parents are asked to please not send their children to school until at least 8.15am. Prior to this time there is no teacher on duty.

You'll take on the competitors from Grafton in a variety of indoor and outdoor events including athletics, hockey, T-Ball, frisbee footy, shot-put, tunnel ball and much, much more!</p> 	<b>HOLIDAY ROUND-UP!</b> The busy world of OOSH is a constant rollercoaster of fun and activity as the holidays roll into term time and back into holidays in the blink of an eye. Our Easter holiday program was blessed with beautiful weather in which we had great fun, with the highlights being getting down and dirty on the Commando Course and our Armed Services activities. The results were our beautiful Anzac Day wreaths laid at all the services and the kids enjoying, and benefitting from, a good dose of "old fashioned discipline" from our resident Drill Sergeant in our Marching Parade. (And <b>WOW</b> ....didn't I have fun with that! Amazing how it works! Should be more of it!) Our rapidly approaching Winter Holiday program is jam packed with more excitement and fun. To stimulate the mind, it's <b>LEGO MASTER CREATIONS</b> and <b>CREATIVE RECYCLING!</b> For the body it's trampoline fun at <b>SPRING LOADED</b> , challenging nature with <b>MAN vs ANIMAL</b> and taking on all comers in <b>OOSH OF ORIGIN!</b> As for <b>HORSE RIDING</b> , <b>ICE SKATING</b> and the antics of a <b>TOY STORY TRIBUTE</b> , that fits into the category of <b>FUN!</b>			
<b>Dave's Rave - STICKING TO THE BASICS AND GETTING THE JOB DONE!</b> <p>At the time of printing we are all reeling from the information overload of both a State Election, as well as a Federal, occurring one on top of the other within an 8 week period. In what can only be described as desperation politics, all participating parties went to extreme lengths to convince you to trust them, that they know what they're doing and, at times, to buy your votes! As our Childcare world exists in a tangled web of regulatory authority administered by both Federal and State departments, our industry is inevitably used as a political pawn for policies and promises! Whether these are followed or fulfilled is yet to be seen, but from someone who has been in the industry for 35 years, and from the early signs I've seen, I am sceptical. The Federal "pay master," with it's Child Care Subsidy (CCS) system administered and delivered by Centrelink, has major systemic flaws which are not being addressed. The State government is promising to spend millions of dollars to fix "waiting lists" and "access problems to OOSH" for schools. This "Sydney based problem" does not, and has not, existed in our region since 2005. Funnily enough we, at Community OOSH, fixed that problem 15 years ago. Basically, what is not happening, is proper industry consultation, with the right people, who put the best interests of you and your children 1st and politics 2nd! We are hoping, now that the dust is settling, that there will be real progress in delivering functional, workable and viable Childcare that delivers the best for the kids!</p>
