Education Day

Thank you all parents, grandparents and friends who were able to come and celebrate at our Education Day assembly yesterday. Thank you to Aunty Ange for your Welcome to Country as well as officially cutting the ribbon for the totem poles. Our Aboriginal dance group, Stage 1 dancers and our choir and ukulele group did a wonderful job entertaining the crowd. Thank you also to all those who supported the sausage sizzle.

Staff Changes

Today we say farewell to Mrs Vines who is leaving our school to take up a permanent position at Coffs Harbour Public School. Thank you Mrs Vines for all your hard work and dedication over the years. Our loss is certainly a great gain for Coffs PS. We would like to welcome Mrs Freudenstein who will be replacing Mrs Vines until the end of the year. This Thursday will also be the last day on 5/6E for Mrs Jessett. Mrs Jessett will be replaced by Miss Connie until the end of the year. Mrs Jessett will be staying at school until the end of the term where she will be working on External Validation and release.

NCCD

All schools in Australia are required to take part in the Nationally Consistent Collection of Data on school students requiring extra support and or adjustments to enable them to participate in education on the same basis as other students. This is aimed at providing all Australian schools, education authorities and the community with a clear picture of the number of students needing extra support. A separate note has been sent home to all families whose child has been shown to be in our data.

Vandalism

Unfortunately we have had a case of vandalism over the weekend. If you see anyone in our school outside of school hours could you please report it to the police?
