Thank you

A huge thank you to Lachlan Hoskin who came in after work yesterday to ensure our Honour Board was up to date. Thanks for all your hard work.

Stage 3 Rotations

For the next 3 weeks students in Stage 3 will be engaging with Geography, Personal Development /Health and Visual Arts in a different way. Students have been grouped into 3 groups and will focus on one of the Key Learning Areas each Monday. The aim of the rotations is to allow more time for students to work on design ideas and development in smaller group situations.

Yesterday the PDH group created and filmed advertisements, the Visual Arts group produced scenes of Sydney Harbour and did some terrific directed drawing and the Geography group designed a city and then overlayed their fire safety plans to test compliance.

Students reported that they enjoyed the day and it was great to see the quality of work produced.

Zone Athletics

Congratulations to Ella Williams, Miranda Mitchell, Ireland Flynn and Jarrah Paris who are progressing through to the Mid North Coast Zone athletics carnival this Friday. We wish you all the best.

Touch Footy

Our touch footy team unfortunately went down to Westlawn PS last Friday. In spite of the loss our girls did an amazing job to reach the level that they did and are to be congratulated on their efforts.

Pyjama Day

Don't forget Pyjama day will be held on Friday August 23. Don't forget to bring your school hat and students in Year 6 will be selling popcorn for 50c. Money raised will go towards the Year 6 farewell gift.

for donating their pre-loved books to our Library.
Your generous donations are very much appreciated.
Our students will enjoy reading them.*

SKOOLBAG - Our newsletter is distributed via the Skoolbag App, on our Facebook Page and also the school website. Some families are choosing to still have a paper copy of the newsletter, however we would like to phase this out entirely by 2020 if possible.

The Skoolbag App has other useful features such as being able to advise the school of your child's absences and we also often send out reminders and alerts using this platform. It is easy to install and is free from the App store on your mobile device.

SICK BAY MANAGEMENT - Sick bay is for children who either get sick or are injured at school. If your child sustains an injury outside of school hours it is pointless treating that injury the next day (or days) afterwards with icepacks. The purpose of icepacks is to use them immediately to assist with swelling and bruising.

If your child is sick please keep them at home and advise the school, this helps to stop the spread of infection.

ABSENCE NOTES – If your child is away and you ring to advise the school of the days absence please also ensure that if your child is away for more than this one day another note or phone call is needed. We only amend the absence on the day of advice and if the absence continues without a follow up call then a letter home is automatically generated the following week.

STAGE 2 & 3 CAMPS – **final payment** for these camps is due at the end of this term, this is only 5 weeks away! Final numbers and payments have to be made by the school at this time. If you are paying the camps off please keep this in mind. If you haven't yet paid for the camp and wish your child to attend there is still time for you to add them to the list.
