Creating Little Legends Win

I am pleased to announce that we were the winner of the Term 3 Creating Little Legends competition sponsored by Hit 105.5 Coffs Coast and Motackle & Outdoors. The radio station is visiting today to do a site inspection and the visit is on September 20. Details will be in next week's newsletter. We are sending home a permission to publish note as we anticipate a lot of photos being taken and these may be uploaded to the Hit 105.5 Coffs Coast and Motackle & Outdoors social media pages. Thank you so much to all those who voted for us.

Congratulations to Thissar Aung, Ben Dunning (Stage 3), Archie Pledger and Summer Edwards (Stage 2) who are representing our school at the NSW Premier's Spelling Bee in MacLean next week. We wish them all the best.

Show Your True Colours

A fundraiser for the *Children with Cancer Foundation* will be held on Wednesday September 11. For a gold coin donation students can come dressed in their favourite footy colours or favourite colour. All money will go the *Children with Cancer Foundation*.

STEM Kit

Next week we are expecting the arrival of a 3D printer. This is part of the STEM borrowing kits that are available to schools NSW wide.

Leave

Next week I will be on long service leave until the end of the term. Mrs Wiggins will be the Relieving Principal in my absence.

Meeting

Today our school welcomed Mrs Beris Duroux (Aboriginal Community Liaison Officer) and Kerrie-Ann Jarrett (AECG Project Officer) to our school. They met with Aunty Ange and Mr Skinner to discuss Language Nest ideas and the sharing of resources to support the programme. It was great to show them around the school.

Year 2 News...

Spelling sheet 26 was given out yesterday. Our grammar focus will be adverbs (tell us more about about verbs eg ran quickly). We continue our maths activity Time with the children engaged in 'hands on' maths activities. Classroom maths will look at grouping of objects (division). The Features of Places unit will involve mapping of small areas eg playgrounds school yards. We have started our in school project on an Australian capital city of choice. Unfortunately one of our children has lost his reading glasses. They have light green rims with the rest grey.

Mr Taylor

Stage 3 News...

Thank you for your kind donations of recyclable material. Year 5/6 have thoroughly enjoyed creating and making with the items! We have now finished the unit and do not need any more items! *Thank you!*

Deave's Beave - "THE SOUND OF TRUMPETS AMIDST THE CLAMOUR OF REGULATORY NOISE POLLUTION!"

The world of childcare and OOSH exists in an almost "mummified" world, bound by State and Federal government regulation and kilometres of red tape! (but I like to think that we own a very big, sharp pair of scissors!) Since January, and all through 2019, our all our services have been undergoing and participating in our 3 yearly Compliance and Quality Assurance inspections. Throughout this process the Service receives a rating of "WORKING TOWARDS" (below average) "MEETING" (average) and "EXCEEDING" (above average) As, I hope, you are already aware, the foundation stone of our system and core mission statement is **"In a world gone mad with rules and regulations, we help kids, be kids!"** So..... if I may indulge in a little "trumpet blowing"we'd like to let you know that we have, as always, passed all our inspections with flying colours! We have made a conscious choice to "EXCEED" in the areas that exist to benefit your children's health, safety and emotional & social development. We have also chosen to "EXCEED" in all area of providing fantastic interactions, relationships and experiences between our staff and the kids, the kids and the kids, and the kids and the "real world" around them! **WOOLGOOLGA** Centre received an overall **EXCEEDING** rating. As for the regulations and areas that seemingly "exist to exist" we have also consciously chosen to "MEET" them with the due diligence and compliance they require, to shield our children and families from them where we can and to consume them with the "grains of salt" that are often needed to swallow them!
