A NOTE FROM THE LIBRARY READING RESORT...

BOOK WEEK 2020...

I would like to thank all the parents, students, staff and all who made our Book Week events such a successful time.

The Book Fair was very different this year with no parents or visitors allowed at school.

Thank you to all the parents and carers who took the time to pay for students' books online or send money for their children to choose. Next week I will let you know how much money you helped raise for our school Library.

Backorders - Students who ordered books should have them within a week to 10 days.

Virtual Performance

As part of Book Week all students watched an online show called "The Greatest Discovery" which involved Short Listed books, as well as the theme of kindness, sharing and fair play.

The Book Week Parade was held in the COLA – just about all our students dressed up for the parade. Some very inventive and spectacular costumes were on display! Thank you to all the parents who got their children in book character.

Videos of the parade are on the school Facebook page.
