### Presentation Morning

Our presentation morning will be held on Tuesday December 8 commencing at 9.15am. We are now able to invite two parents from each Year 6 student to attend the presentation. In line with Covid guidelines parents will be asked to return the RSVP from the invitation and register upon arrival. Due to the size of the COLA we are still only able to invite one parent from the Year 5 captain nominations and award winners.

### Kindergarten Orientation

Kindergarten Orientation is on again tomorrow. Last week we had 17 confident and happy students attend the orientation. After a variety of activities in the bottom COLA, students moved to the Kindergarten room to complete a craft activity linked to a story. Special thanks to our special helper students who assisted with the activities.

### Stage 2 Camp

I'm sure that Stage 2 students are looking forward to their camp next week. Let's hope we get great weather. Notes have been sent home regarding clothing requirements etc. If you didn't receive one please call the office and we can send one home.

### Lost Property

We have a large number of non uniform jumpers that have been unclaimed. If they are not claimed by the end of Week 8 they will be washed and given to charity. There is also a number of lunch containers, drink bottles and jewellery waiting for collection. We also have a phone and a purse. These can be claimed upon description.

### Arrivals

Please remember that there is no teacher on duty until 8:15am and students are not to arrive at school before this time.

### Stage 3

Stage 3 students looked like they had an amazing time at camp last week. Special thanks to Mrs Bartlett, Mrs Timmins and Mr Skinner who took time from their families to ensure the camp was a success.

### SMS

We are trialling a new absence notification system using SMS (like the high school does) Please make sure that your mobile phone numbers are up to date with the office so that we can begin to use this straight away. This will hopefully eliminate the use of white reminder letters.

### Kinder Orientation

Please encourage anyone you may know in our school zone with a school age child to call the school so that we can send out an Orientation pack. Our next Orientation will be this Wednesday November 18. Please meet at the front gate.

### **Kindergarten Session times:**

SESSION 2 Wed 18 Nov 9.15-12.00pm

SESSION 3 Wed 25 Nov 9.15-12.00pm

# NAIDOC WEEK

We are celebrating NAIDOC Week with a special day this Thursday.

Students are requested to wear red, yellow or black clothing – or school uniform. School hats must be worn.

Students will be participating in a rotation of activities to enjoy.

An assembly for Aunty Ange's retirement will be part of the day and photos will be posted on the school Facebook page so parents can see the day's celebrations.

### BOOK FAIR

This year's Scholastic Book Fair has been finalised.

All back orders have been received and given out.

NOW I can thank everyone for helping raise **\$693.33** in Rewards Points!

This means I can use these credit points to choose lots of new books and resources for everyone to share.

Thank you everyone!

Mrs Davies

### Have Your Say Survey - Before and After School Care

Dear parents

We want to offer families more flexibility with their work commitments and child care arrangements and to create more opportunities across the whole community. Having Out of School Hours Care available at local schools is a great way to achieve this.

As part of the NSW Government's \$120 million Before and After School Care (BASC) commitment, parents at all NSW schools were recently invited to complete a Have Your Say survey. The survey asked parents to tell us how they are using Out of School Hours Care, how much it costs them, whether they plan to keep using it, and what difficulties they experience in accessing it. The survey results have helped us to better understand the needs of families and what's important to them.

We are now asking all parents to complete a [quick follow-up survey](https://surveys.education.nsw.gov.au/s3/OSHCParentSurvey) by **Friday 27 November 2020**. You can access the survey at <https://surveys.education.nsw.gov.au/s3/OSHCParentSurvey>. This information will help us to target the rollout of more before Out of School Hours Care services in the right areas

If your child does not require Out of School Hours care, we ask that you please still complete the first section of this survey as it gives us important information about the level of demand at your school.

If you have any questions, please feel free to contact us or the BASC Program team by phone on 1300 244 145 or email at: [BASCReform@det.nsw.edu.au](mailto:BASCReform@det.nsw.edu.au)

### Christmas Gifts Stall

This year we will be holding a Christmas Stall similar to our Fathers Day and Mothers Day Stalls. We have lots of amazing gifts! Gifts for men, lovely gifts for ladies and some really cool things for kids! It will be an opportunity for students to buy a little gift to take home and put under the tree for someone special. It will be held on Wednesday 2nd December. Students can bring their money on the day. Gifts will be priced at \$2, \$4 and \$6.

### Presentation Raffle

A hamper raffle will be held at the presentation event on Tuesday 8th December. Tickets will be \$2 each or 3 for \$5, available to purchase before the presentation from 9am. If you are not attending the event and would like to purchase tickets please send a private message to our P&C Facebook page and we will arrange tickets for you.

### Uniforms for 2021 Kindergarten

We will have a table set up just outside the front school gate for the last Kinder Orientation next Wednesday. We will have one of each item and size on display and order forms available if anyone would like to order uniforms this term.

Uniforms will also be available for purchase through our uniform shop at school when the best start assessments are held early in Term 1.

This is just a quick update to inform parents and students of the Year 6 to year 7 transition process that has been taking place already this year. Due to restrictions in place in relation to Covid-19, transition has been a different process in 2020 but there has still been lots going on!

Our transition processes begin with our Learning Support Team meetings. This is where a team of teachers from Woolgoolga High School visit our feeder primary schools and meet with the current year 6 teachers, learning and support staff and principals. These meetings give us an insight into the wonderful students that will be attending our school the next year and assists with class placements. Students who may require additional transition visits are also identified within these meetings.

The next step in the transition timeline is our Roadshow visits. These visits have been slightly different this year but involve myself (Year 7 2021 Year Adviser), Mr Ian Cook (Head Teacher Wellbeing) and Mr Daniel Sweed (Student Support Officer) attending each of the primary schools, showcasing the activities and excursions that take place at our school and answering questions from the year 6 students themselves.

In week 5, we will hold an Aboriginal and Torres Strait Islander Orientation Day. On this day, ATSI students from each of the primary schools come together to showcase the Aboriginal Programs and supports that we have in place at Woolgoolga High School. On this day, WHS staff such as Mrs Jo Hine, Ms Kelly Hine, Ms Blake Cusack, and myself will provide a tour of the school, participate in cultural activities such as a smoking ceremony and the students will participate in a Gumbaynggirr language lesson.

An Orientation Day for all students will then take place on Tuesday, 1 December 2020. Due to Covid-19 restrictions, parents will not be able to attend on this day (other than to purchase school uniforms), but instead we will hold a parent information session via zoom at 6.00pm. Orientation Day will be an incredibly exciting day for all year 6 students. They will finally get a taste of high school, catching the bus to and from school, an assembly in our hall, a music concert and some mini-lessons run by high school teachers.

We understand that it is a very busy time for most families, and would like to reiterate that staff at our school are here to assist in any way. If you have any questions relation to Year 6 to Year 7 Transition, and would like to speak to me, please call Woolgoolga High School on 02 6654 1500.

Kind Regards,

Rachel Bennett, Year 7 2021 Adviser.
