### NAIDOC

We had a wonderful NAIDOC celebration last Thursday.

The morning began with a Smoking Ceremony by Mr Skinner to officially open the Yarning Circle. The students were very respectful as they created a serpent to weave through the circle, you could have heard a pin drop. It was really amazing.

This was followed by an official farewell to Aunty Ange. She has had a remarkable career supporting the students and staff at our school. The whole school sang Heads, Shoulders, Knees and Toes and The River is Flowing in Gumbaynggirr. This was followed by Stage 3 students singing *Life Song* also in language-Well done everyone.

Our School Leaders presented Ange with her gifts - a beautiful photo book of her time at the school, a 1000 piece jigsaw of the school, a school tea towel and some flowers. Many thanks to Mrs Jenkins for compiling the book and special thanks to Mrs Davies for assisting with the book as well as organising the farewell for Aunty Ange. Once again you've done an amazing job.

After the ceremony students rotated around activities in their stage groups. It was a great day.

### Change of circumstances

Parents are reminded that unless we have note or a phone call no child is to change their after school routine and will not be allowed to leave the school grounds.

### Invitations for Presentation Morning

Invitations for the presentation morning will be sent out. Please note that there is a maximum of 2 parents per Year 6 student only and 1 parent for all other award recipients. We apologise if extended family members wanted to enjoy the assembly however we are bound by the size of the COLA and Covid restrictions.

### Arrivals

Please remember that there is no teacher on duty until 8:15am and students are not to arrive at school before this time.

### SMS

We hope you are finding the new absence notification system using SMS (like the high school does) convenient.

Please make sure that your mobile phone numbers are up to date with the office as we are using this straight away. This will hopefully eliminate the use of white reminder letters.

One issue we have noticed is that if you have more than one child away on a day you need reply to each child's individual SMS notification because it feeds directly into our attendance system.

### Year 2 Swimming

The weather has certainly been kind for the start of swimming yesterday. Please make sure that you have applied sun screen at home before your child comes to school and that dry clothing including undies is packed.

*Mrs Wright*

## STAGE 3 CAMP OVERPAYMENT

With the change of venue for the Stage 3 Camp some parents now have a credit with the school. This can be handled either by keeping it at school as Fees in Advance for 2021 or requesting a refund. If your child is in Year 6 and does not have siblings at school you will need a refund as it cannot follow them to High School. If you would like a refund please contact the office to obtain a form for this to be processed. I will need refund request forms to be back to the office by Wednesday December 2.

## School Banking is back.

School Banking is back. School Banking Day will be **Friday** commencing this week!

School Banking is a fun, interactive and engaging way to help young Australians learn about money and practice good savings habits. For each weekly deposit made at school, students will receive a Dollarmites token. Once they collect 10 tokens, they can redeem them for a School Banking reward.

If your child has previously participated in School Banking, or has an existing Commonwealth Bank Youthsaver account, they can start banking straight away by bringing their Dollarmites deposit wallet to school on School Banking day.

If your child has lost their deposit wallet, please contact your School Banking Co-ordinator or visit any Commonwealth Bank branch for a replacement.

Our School Banking program is made possible because of volunteers. Thank you to those volunteers for donating their time to run School Banking for our students.

If you would like to know more about School Banking, please ask for a 2020 School Banking program parent guide from the school office or visit [www.commbank.com.au/schoolbanking](http://www.commbank.com.au/schoolbanking)

## Have Your Say Survey - Before and After School Care

Dear parents

We want to offer families more flexibility with their work commitments and child care arrangements and to create more opportunities across the whole community. Having Out of School Hours Care available at local schools is a great way to achieve this.

As part of the NSW Government's \$120 million Before and After School Care (BASC) commitment, parents at all NSW schools were recently invited to complete a Have Your Say survey. The survey asked parents to tell us how they are using Out of School Hours Care, how much it costs them, whether they plan to keep using it, and what difficulties they experience in accessing it. The survey results have helped us to better understand the needs of families and what's important to them.

We are now asking all parents to complete a [quick follow-up survey](https://surveys.education.nsw.gov.au/s3/OSHCParentsurvey) by **Friday 27 November 2020**. You can access the survey at <https://surveys.education.nsw.gov.au/s3/OSHCParentsurvey>. This information will help us to target the rollout of more before Out of School Hours Care services in the right areas

If your child does not require Out of School Hours care, we ask that you please still complete the first section of this survey as it gives us important information about the level of demand at your school.

If you have any questions, please feel free to contact us or the BASC Program team by phone on 1300 244 145 or email at: [BASCReform@det.nsw.edu.au](mailto:BASCReform@det.nsw.edu.au)
