Thank you to everyone for your cooperation and understanding around postponement and cancellations of events due to Covid-19.

Additional to yesterday's list are:

School photos will need to be postponed until later in the year. Classy Cooks has been held off until next Term (when we will do a catch up for Kindergarten Possums and Koalas who were due to cook in the next 2 weeks.)

Please remember if your child is sick or showing any signs of illness, please do not send them to school. This has also been communicated to all staff to do the same. Mr Taylor is away today as he was feeling unwell.

If a child becomes ill during the school day, parents will be contacted and your child will wait in the Sick Bay as per usual procedures. If your child or a member of your family is being tested for Coronavirus, please contact the school so additional preventative measures can be put into place. If your child tests positive for Coronavirus, please contact the school immediately.

If your child has an immune disorder, we completely understand a parents decision to keep them at home as a preventative measure during these difficult times. If this is the case, please contact the school so work can be organised for your child to complete at home and the appropriate leave will be noted on our attendance system.

Principals will be provided with regular updates from the NSW Department of Education and NSW Health. This may lead to additional changes to our school routines and operations. We will continue to keep parents updated and minimise risks as much as possible as the wellbeing of everyone is paramount.

Thank you for your ongoing support of the school. Additional information from NSW Health can be found on the following website:

Soap

We are having difficulty obtaining liquid soap for use in the toilets. If you have any onion, avocado or orange mesh bags that you could donate they would be greatly appreciated. Also if you have a spare cake of soap that you are willing to donate we would love that as well. All students at school today have been shown how to use the soap in the mesh bag which has been placed in each toilet. Students also wash their hands in the classroom as soon as they come back from the toilets (as well as before and after recess and lunch) so teachers are sure hand hygiene is being followed.

FEES: Depending on the Child Care Subsidy (CCS) and activity hours a parent is entitled too, the out of pocket costs to parents can range from a few dollars to the full rate shown below. To find out more about the Child Care Subsidy please visit at <https://www.education.gov.au/ChildCarePackage>. The table below shows the full fee with no Child Care Subsidy along with an example of the out of pocket expense where the highest rate of Child Care Subsidy is applied.

Your fee will vary depending on your own CCS rate and activity hours you receive. Unlike some providers, Community OOSH Services strive to put you and your children first, providing the highest quality care for the lowest possible price. Please note excursions are at an additional cost and vary depending on the excursion. The cost on each excursion are shown on the next page and these costs will have your CCS % applied to substantially reduce excursion costs.

2020 Fee Structure at Full Rate before the application of any CCS %		Example of Approximate out of pocket expenses at 85% CCS	
Vacation Care	\$56	Vacation Care	\$11.20
Sample Additional Excursion Cost	\$16	Sample Excursion CCS Applied	\$3.20

School Banking day is FRIDAY

Remember, Friday is School Banking day and students can bring in their weekly deposit.

For every deposit made at school, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

If your child has lost their book, please contact your School Banking Co-ordinator or leave a note at the office for a replacement or visit any Commbank Branch.

If you would like to know more about School Banking, please ask for a 2020 School Banking program information pack from the school office or visit www.commbank.com.au/schoolbanking

School Banking tokens

What you need to know about Tokens

- One silver Dollarmites token will be issued for every School Banking deposit made (maximum of one per week).
- You need to have made 10 School Banking deposits to redeem a reward.
- Tokens do not expire. If you don't have enough tokens at the end of any year, you can save them for the next year until you have 10 tokens to redeem for a reward item.
- Tokens cannot be pooled between, or given to, siblings or friends to get rewards faster. The School Banking rewards program is designed to reward individual savings.
- All rewards are available to order from the term listed, and are offered only while stocks last.
- Your deposit/token count is electronically tracked by School Banking so it doesn't matter if you lose your Silver Dollarmites tokens.
- You can also track your tokens on our fun easy to use CommBank Youth app (visit www.commbank.com.au/schoolbanking for more details).

How to redeem your tokens for a Reward

- Complete a Rewards slip by writing in your details and ticking the item you would like to redeem for the term
- Place the slip in your yellow Dollarmites wallet with your 10 Silver Dollarmites tokens
- Hand it in with your School Banking Deposit on School Banking Day.
