The Government and Department are encouraging you to keep your child at home from Tuesday 24 March to contribute to supporting the community response to COVID-19. The school's doors will remain open for those students whose parents are in the essential services.

Support for students at home

I encourage you to access the Learning from Home resource which provided practical advice to parents and carers on how to best create and support a productive learning environment in the home.

<https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-from-home/advice-to-parents-and-carers>

Learning Packs

Our teachers have developed Learning Packs to provide consistency of learning until the end of the term. We are mindful that many families may not have access to the internet or computer or laptop for online learning. This is why paper copies of work have been developed for all students as well.

The work provided has been taken from the teaching and learning programmes of each stage. Whether your child attends school or you have chosen to keep them at home the work is the same.

Please contact teachers or the school via email during school hours if you wish to discuss anything.

If you are working online please remember to take regular breaks to give your eyes a rest. Learning packs will be posted today.

Thank you

During this time of uncertainty I would like to express my sincere thanks to everyone in our school community for their support and understanding. Parent, carers and students have done an amazing job in adjusting quickly to the alternate modes of learning, social distancing regimes and disappointment at the number of events already cancelled in the school calendar. Our teaching staff have stepped up to collaborate, share and develop resources to assist with different ways of learning. And finally, as usual, the non-teaching staff have been on the frontline supporting us all. Thank you everyone.

Mrs Wright

How to install the SkoolBag app

Instructions for parents and community

1. Get your favourite mobile device
2. Open the App Store/Play Store
3. Search for "SkoolBag"
4. Download the free app
5. Open the app and add your school(s)

for more info visit skoolbag.com.au

West Antees, Arlo Browne, Maisie Chapple,
Kiri Laming, Ruby Jessett, Aliyah Carino,
Lucas Costelloe, Indie Kay, Jude Cronin,
Jack Jones, Jack Hayes, Amber Moorfield, Macey Dodds

...READING RESORT NEWS...

Over the page there are some links for students to use to access
Orbit and other library resources.

Mrs Davies

1/2B News.....

Spelling Sheet List 7 was sent home yesterday together with class worksheet. Both Reading Eggs and Studyladder login information was also handed out. Studyladder has both Maths and English activities to complete. These include addition, subtraction, division, fractions, money, 2D and 3D shapes and mass for both Year 1 and Year 2 children. English activities include blends, consonants, grammar and narrative reading. The completion of these activities as well as Reading Eggs will be monitored from school.

Mr Taylor

Galambila Mob

We are prepared for coronavirus. If concerned you have it (fever, cough, short of breath, sore throat) call on 66520800 before coming in. Stay calm, see out Facebook updates, keep washing hands and see link for info:

<https://ncphn.org.au/coronavirus-information#communitymember>

A NOTE FROM THE LIBRARY ...

Want to know something – READ!

Want to be entertained – READ!

Want to have fun – READ!

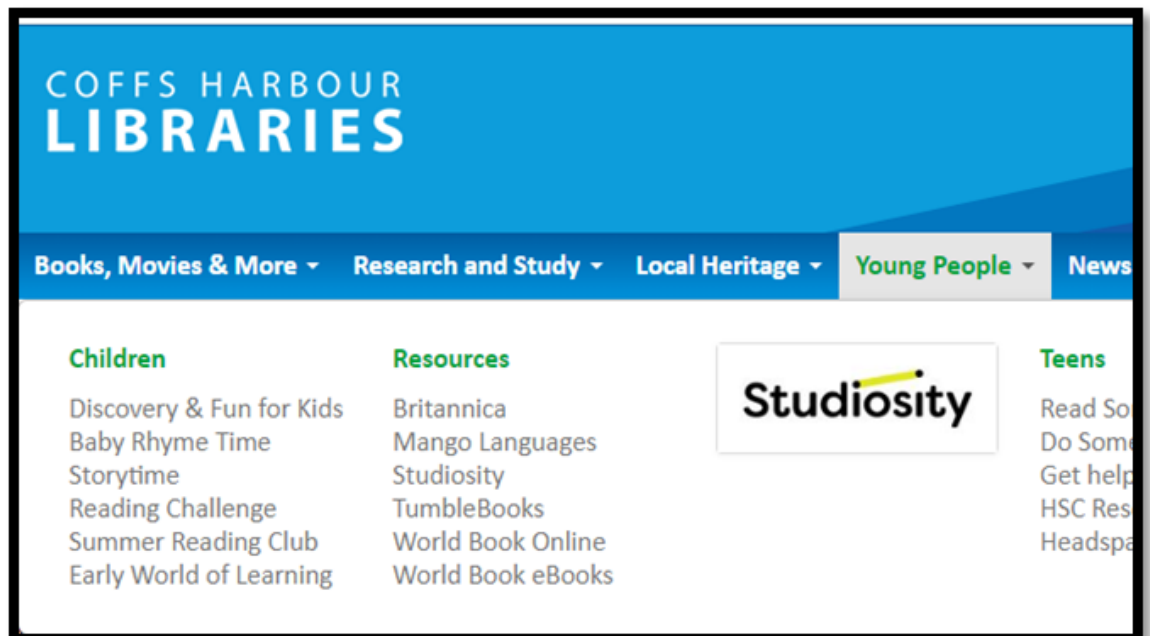

Stage 2 and 3 - use your **student portal** to access Orbit and World Book Online.

Here students can find online encyclopedia, maps, science projects, games and activities. All free. All Stage levels. Fun and learning.

ALSO ...

Students can join the Coffs Harbour Library online for **free!**

Just Google “**join Coffs Harbour Library**”. No need to go into the Library. Follow the links to join. Then find lots of online links as seen here at the Young People tab.
