Welcome back. We hope you've enjoyed the lovely autumn weather that we have been experiencing. You may have heard that schools will be implementing a Phased return for students.

Phase 0: -Weeks 1 and 2

Families are encouraged to keep their children at home wherever possible.

Families who need to send their child/children every day may continue to do so e.g. essential workers and vulnerable students.

Students who attend school are supervised only not in their regular classes.

Support your child/children to continue learning at home

Follow health advice and keep your child/children at home if they are unwell.

Phase 1-Week 3 onwards at the moment

Students at school at least 1 day per week. We are grouping our students into house groups-Sharks, Eels and Dolphins. This allows families to attend on the same day and for our circumstances means that we can implement the ratio of one teacher per 10 students.

Monday-SHARKS

Tuesday-EELS

Wednesday-DOLPHINS

You are encouraged to keep your child at home for the rest of the week and support their learning at home.

Families who need to send their child to school every day may continue to do so as per Phase 0.

Phases 2-4 will be advised when implementation is near.

Following Department of Education advice it is requested that:

- Students are dropped off and picked up at school gates only. Parents are asked not to enter the school.
- Parents do not congregate at school entries
- No student mobile phones at school

Please drop your completed paper learning pack to the Corindi Post Office.
