Reports

A Semester 1 report for all students will be issued at the end of this term. It will be in a slightly different format than you are used to due to the changes in learning over the semester.

The report will not grade student achievement using the A-E scale but instead will focus on whether the student is Working Towards, Achieving or Working beyond the outcomes covered over the semester. The teacher's comments will focus on English and Maths. The report will also include student attendance, their commitment to learning and identify the next steps in their learning.

During the period of Learning At Home parents were asked to supervise their child/children's remote learning (online or paper copy). We are now seeking feedback on this process.

An online form is now available on Skoolbag, Facebook and the school website. **Please note that we need one form per student.** The survey needs to be completed by Friday June 12. If you would like to discuss this with your child's teacher please call and book a phone appointment.

Worm Warriors

Last week all the equipment was purchased to assemble the worm farms. Mr Miller is building the shade structure to protect the worm farms from the heat. We hope to have the worm farms up and running by the end of next week

Pop-up PBL

Check out the PBL pop-up event for this Friday. It is Funky Sock Day. There is no donation needed. It's just a fun activity for all students.

Mrs Wright

Let's have some fun!

School finishes at 2.40pm. Parents are asked to collect students promptly after this time. If for any reason you are running late we would appreciate a call to let us know.
