Reports

A huge thank you to all families who have responded to the online survey that was sent out last week. We have had 79 individual student responses which is terrific. There is still time for you to send those back in or you are welcome to make a phone appointment with the classroom teacher.

Reports will be issued on Wednesday of week 10 this term.

Worm Warriors

Two of our worm farms are up and running. Last week students in Stage 3 did a great job in predicting the process of setting up their worm farm. It was a little different from what many were expecting! The worms have now settled for their required time and are ready to be fed and charged up to produce the castings.

Today the worm warriors worked with Stage 2 to build a can-o-worms. This set up is slightly different from the Stage 3 worm farm. The Stage 2 worms will now settle for a week before they are fed.

Our dedicated worm warriors also completed a -waste survey for the Coffs Harbour City Council.

Thankyou

A huge thank you to Isabella Peterie who has donated some care products to our resident rooster Carlos. These are greatly appreciated.

A huge thank you also to Kayleen Barnetby for your excellent culinary skills last Thursday.
