Visitors

All parents are required to fill in an **External Visitors to School site** form each time you enter the school grounds. These are required each time you come into the school grounds e.g picking up students early, dropping them off late, uniform enquiries, making payments etc. The forms are located at the front office.

Worm Warriors

The Worm Warriors were very excited to return to school and find that the worms are now producing "worm tea". This will be great for our school garden as well.

LEED project

Our school is very excited to be one of 450 NSW school to be chosen for the Leading Evaluation, Evidence and Data (LEED) project. This project will support our school in the identification, refinement and implementation of evidence-informed practices for school improvement. The LEED project focuses on developing the capabilities of staff in the use of data, evidence and evaluation practices to support strategic school improvement. It will make explicit links between the School Excellence Framework and the implementation of practices that promote improved student outcomes. This will link with the development of the new 2021 School Plan and External Validation.

Attendance

Regular attendance at school for every student is essential if students are to achieve their potential, and increase their career and life options. Schools in partnerships with parents are responsible for promoting the regular attendance of students. While parents are legally responsible for the regular attendance of their children, school staff, as part of their duty of care, record and monitor part and whole day absences. Parents of children from Kindergarten to Year 12 must ensure their children attend school every day. On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances e.g. attending a funeral

Parents must provide an explanation for absences to the school within 7 days from the first day of any period of absence. Where an explanation has not been received within the 7-day timeframe, the school will record the absence as unjustified on the student's record.

New sink

We have had a lovely new sink installed to aid with our handwashing practices.

Thanks to Syme and Jye

Thomson for their work installing it last week. The taps turn off after running for a set period to save water which is great as well.

Congratulations!

Reminder Book Club orders close this Thursday 30 July

- ➡ Order online (explained in the brochure)
- ➡ Order at school - pop your order (in an envelope with cash) into the wall slot outside the office.

Books should arrive in about a week.

5/6 News...

For school photos tomorrow could Year 6 students please bring a normal school shirt as well as their Year 6 shirt so that Year 6 can have a photo together in their senior shirts. Also, if anyone has any large glass coffee jars at home that we could use for the collecting of gold could you please send them in.

Thankyou!

Mrs Timmins and Mrs Bartlett

Office News...

Thank you to those parents who have paid their accounts since they were sent out, it is great to see so many using the Parent Online Payment option. If you have any queries about your account please don't hesitate to contact the office.

Brainbuster Club

A group of thinkers got together in the library at lunchtime today to play some strategic games like Chess, Draughts, Rubic's Race, Chinese Checkers as well as others. The Brainbuster Club will be on 2nd half lunch every Monday in the Library for interested students. You must be able to play Chess or have a friend who is willing to come along and teach you. Please see Mrs Wiggins to join.

JUMP ROPE FOR HEART

Last Thursday 23rd July we held our Jump Rope for Heart fundraiser for the Heart Foundation. Students impressed us with their skipping ability and even surprised themselves learning new skills! There was group skipping, partner skipping and even the extra difficult 'Double Dutch' which a few students nearly mastered! Well done Corindi kids, we raised \$141.30, funds which will go towards research and education by the Heart Foundation.
