Covid Update

We're working closely with the Department of Education, Australian Health Protection Principal Committee (AHPPC), NSW Health and other agencies to ensure our school continues to operate in the safest way possible during the COVID environment.

Please see below information about continuing guidelines as well as some that are new from this morning.

In accordance with advice from NSW Health, parents and carers are reminded not to send children to school if they are unwell, even if they have the mildest flu-like symptoms. We will make arrangements for students who present as unwell or have flu-like symptoms during the day to be sent home. NSW Health have requested that we advise anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the COVID-19 clinics.

Students and staff absent or sent home with flu-like symptoms will need to provide a copy of a negative COVID-19 test result before being permitted to return to school. Parents/carers and other non-essential visitors are not allowed on the school site.

Parents and visitors with an essential reason to visit the school need to attend the school office. Parents should ensure school pick up and drop off arrangements enable them to physically distance from one another and from staff.

We appreciate that these rules may seem harsh, but they are state-wide guidelines designed to keep our kids safe, our school open and our community COVID free.

Thank you for your ongoing cooperation – working together will ensure the safety of all.

As always you can telephone the school on 66492734 if you require further information or need to deliver a message.

Fencing

Work has commenced on the new fence fronting Red Rock Road and the remaining fencing along the back of the school. We anticipate this to be completed before the end of the term.

Fathers' Day Stall

Special thanks to the canteen ladies who organised and ran the Fathers' Day stall today. We hope all the dads, grandads and significant father figures enjoy their special gifts this Sunday.

LEED Update

Today Mrs Wiggins, Mrs Jessett and Mrs Wright participated in the second session of the LEED (Leading, Evaluation, Evidence and Data) project via zoom. Work is well underway on our Situational Analysis which will form part of our 2021-2024 School Plan.

Parent and student feedback will be gathered early Term 4.

Power Outage

There will be a power outage tomorrow at the school. This will be from 9am.

Hopefully we will have a generator for the day.

Mrs Wright

Week 8

**Eat a Rainbow
Challenge!**

Offering a wide range of colours in children's food not only looks great but also ensures that children are receiving a great variety of nutrients. Make it fun by 'eating a rainbow!'

Challenge your children to eat as many different coloured fresh foods as possible. During Crunch n Sip in Week 8, each class will be participating in the challenge to eat a rainbow. Each coloured fruit or vegetable will be tallied to create a rainbow at the end of the week. Woolworths Woolgoolga have kindly donated a box of fruit and vegetables for each successful class!

So challenge yourself! **Eat a Rainbow!**

...READING RESORT NEWS...

CALLING ALL OVERDUE BOOKS!

Please ask your child if they received a green note.
If the book/s just cannot be found, I would really appreciate a note so I can adjust the computer records and your child can continue to borrow.

DAVES RAVE :- HOW THE "OOSH WORLD" IS WORKING AT THE MOMENT

The roller coaster ride continues in the game of life that has had the board flipped by the "C" word! We are about to enter our third holiday period living under its shadow and are busy preparing activities and excursions for your children to try and keep their world as normal as possible in these very abnormal times!

We thank you for your understanding and patience over the last few months and ask that you continue to bear with us as the "goal posts" keep moving and the rules of the game keep changing on a day to day basis! Regardless of ones politics I believe we should all, as parents and providers, be very grateful for the Government's efforts to date that has kept the industry sustainable. All our centres are following the protocols, specific to our industry, that have been determined by the Education Dept. as well as our other governing authorities. Finally, we are embracing a modern world (something I personally don't do very well) by using this QR Code to assist with your booking process.

PLEASE SCAN THIS QR CODE WITH YOUR PHONE CAMERA TO MAKE YOUR BOOKINGS
