### Robotics

Yesterday we received our first order of robots. They are phase 1 of our purchases. These robots are for all stages. We are excited to have them accessioned and ready for action next term.

### Scooter and bike safety

All students are reminded to get off their bikes and scooters and walk them across Red Rock Road. Unfortunately some students have been riding down the hill and straight across the road.

### Nacho Day

Our canteen did an amazing job creating nachos for everyone who ordered today. Thank you ladies for all your hard work. We hope the fundraiser was very successful.

### Worm Warriors

Next Wednesday our Worm Warriors will be holding a virtual meeting with Jess from Coffs Harbour City Council. We are happy to report that we are getting a large amount of worm tea and Mr Miller and Mr Wiggins are reporting that the garden is looking fabulous from its use.

### Rainbow platters

A huge thank you to Mrs Freudenstein who organised the support of Woolworths to provide the classes with rainbow fruit platters today. They certainly looked super healthy and delicious.

**DAVES RAVE :- HOW THE "OOSH WORLD" IS WORKING AT THE MOMENT**

The roller coaster ride continues in the game of life that has had the board flipped by the "C" word! We are about to enter our third holiday period living under its shadow and are busy preparing activities and excursions for your children to try and keep their world as normal as possible in these very abnormal times!

We thank you for your understanding and patience over the last few months and ask that you continue to bear with us as the "goal posts" keep moving and the rules of the game keep changing on a day to day basis! Regardless of ones politics I believe we should all, as parents and providers, be very grateful for the Government's efforts to date that has kept the industry sustainable. All our centres are following the protocols, specific to our industry, that have been determined by the Education Dept. as well as our other governing authorities. Finally, we are embracing a modern world (something I personally don't do very well) by using this QR Code to assist with your booking process.

**PLEASE SCAN THIS QR CODE WITH YOUR PHONE CAMERA TO MAKE YOUR BOOKINGS**
