Term 2 Week 1 Apr 30 2024

Welcome back everyone

We hope your holiday was relaxing and allowed time to recharge for what is going to be a very, very busy Term 2.

Prac placement

For the next 3 weeks we welcome Ms Micaela Burgess to our school. Ms Burgess is on her first prac through Griffith University. She will be working with Mrs Simpson and Bilby. We hope you enjoy your time at Corindi.

ANZAC March

A huge thank you to the students, staff and parents who represented Corindi school at the ANZAC march last week. Some of our staff members also marched with their own children in various services and some families attended the Dawn Service. Those students who marched in Woolgoolga did an outstanding job. Their behaviour and respectfulness during the march and the service were exemplary. Well done.

Kevin Hogan Morning Tea

Thank you to Aydin, Jet, Pippa, Olivia and Koto who did an amazing job representing our school at the Kevin Hogan morning tea in the holidays.

Breakfast club

Last term Mrs Freudenstein successfully applied for a grant to enable us to start a breakfast club. It will be held on Monday, Wednesday and Friday each week. Toast with vegemite or peanut butter will be available from 8.15am - 8.30am (or until students from the last bus have had the opportunity to have some toast.) The programme will commence in Week 3, Monday May 13.

Mrs Wright

UPCOMING EVENTS

- Wed May 1**
Cross Country at school
- Thu May 2**
Soccer Gala Day
- Wed May 8**
Mothers Day Stall
- Tue May 14**
Circular Circus

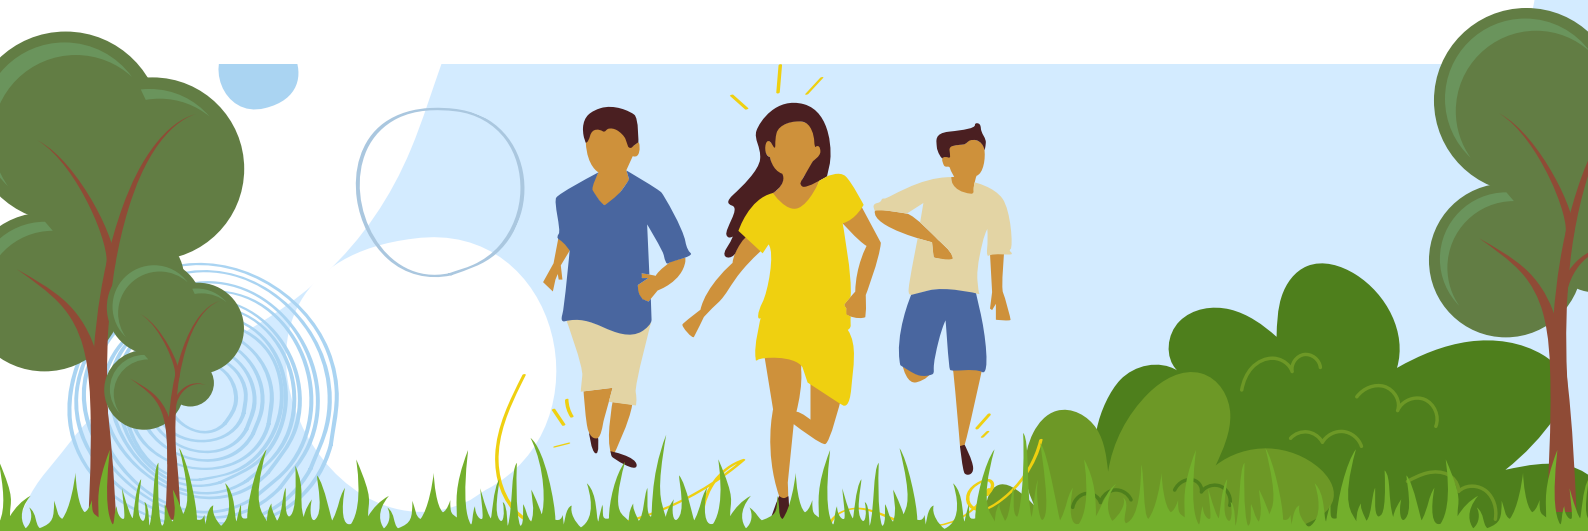

CROSS country UPDATE

Please note that due to Corindi Sportsground being closed, tomorrow's Cross Country will now be held at school.

A note with event details has been sent home today

Please be aware that there is rain forecast tomorrow however we will be pushing ahead with this event unless it is unsafe to do so. Students are invited to wear house colours and appropriate footwear. Raincoat and a change of dry clothes may be a good idea also.

Parents and carers will notice some track markers at the front of our school for the course. We ask that you keep these areas clear of vehicles.

VISITING PERFORMANCE

CIRCULAR CIRCUS

**NEW
DATE!** TUES MAY 14

Roll Up! and have all the fun of the fair as you learn how mathematical concepts can help solve everyday problems. Ropes transform into spinning circles & with a crack of the whip the sound barrier is broken.

All manner of objects are kept aloft in different juggling patterns and a staggering array of geometric shapes are created with those great circus circles, hula hoops.

With audience participation, comedy, rope tricks, illusions, juggling, whip cracking and lasso spinning, everyone gets involved exploring the maths behind the excitement.

\$5
